ATTENTION ALL FAMILIES

TODAY IS RESPECT FOR LIFE SUNDAY.

12 weeks old

The baby has all needed to experience pain, including nerves, and spinal cord. Your baby's vocal cords are complete. He/she can suck its thumb.

You are invited to *spiritually adopt an unborn baby!* Pick up a pink or blue prayer card as you exit the church and pray daily for nine months that your baby will be spared from abortion.

Life has been entrusted by God to the family. Our children and grandchildren will learn to respect every human person by giving them our example of prayer and action.

PRAY TO END ABORTION

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

40 DAYS FOR LIFE

Human rights are not a privilege conferred by government. They are every human being's entitlement by virtue of his humanity. The right to life does not depend, and must not be declared to be contingent, on the pleasure of anyone else, not even a parent or a sovereign. ~ Blessed Mother Theresa of Calcutta
