Stewardship Weekend Follow-Up

We had a wonderful response to the *Let Your Light Shine* Stewardship appeal last week. A total of 117 intention cards have already been turned in. I am very thankful for your cooperation, particularly in light of the short opportunity to review the *Let Your Light Shine* brochure. However, I know a number of families needed a little more time to think about their tithing commitment for this next year. If you have not already done so, please drop your intention card in the regular offertory collection today or send it to the rectory. It is important that you fill out a commitment card. In filling out the card, your family is making a conscious effort to be good stewards. You will also be testifying to your children and those around you about the wonders God is doing in your lives. Feel free to call me with any questions at 307-7004. Thank you,

Joe Debs - Stewardship Chairman
