Immaculate Conception by Piero di Cosimo, 1505

Tuesday, December 8th is the Solemnity of the Immaculate Conception of the Blessed Virgin Mary, a **Holy Day of Obligation**. Masses will be held at 8:30 AM and 6:30 PM. Did you know that bishops have received permission from the Vatican to abrogate (temporarily waive) the requirement to attend Mass on certain Holy Days of Obligation, when those Holy Days fall on either Saturday or Monday; but that because this feast honoring Mary, the Mother of God, celebrates **one of the most important events in salvation history, it is never abrogated**.

BABY UPDATE-12 WEEKS OLD

Your baby has been growing with your prayers to our Lord. Now and in the next few weeks he/she will have developed enough to:

☞ Week 12: The baby has all of the parts necessary to experience

pain, including nerves, spinal cord, and thalamus. Vocal cords are complete. The baby can suck its thumb.

☞ Week 14: At this age, the heart pumps several quarts of blood through the body every day.

☞ Month 4: Bone Marrow is now beginning to form.

The heart is pumping 25 quarts of blood a day. By the end of month 4 the baby will be 8-10 inches in length and will weigh up to half a pound.
